

COSHH Assessment - Dulux Trade Ecosure Water-Based Gloss - Paint

Description of Substance	ICI Paints' decorative products are intended for use in the decoration of buildings surfaces.
Method of Use	Brush and roller painted onto building surfaces
Supplier Details	Dulux
Assessment Date	08-Jun-2011
Document Author	

Hazard Identification

Risk Level	Not considered hazardous under normal conditions
Persons at Risk	Staff Contractors Visitors
Routes of Entry	Inhalation Absorption Ingestion
Amount Used	Small (Millilitres), 1 to 5 times per day, for 1 to 5 minutes.

Personal Protective Equipment

Hand Protection

Protective Clothing

Eye Protection

Substance Properties

Highly Flammable

Risk / Safety Phrases & Work Exposure Limits

Work Exposure Limits	Risk / Safety Phrases

Precautions & Controls

General Precautions	ICI Paints' decorative products are intended for use in the decoration of buildings surfaces. Ventilation
Further Controls Required	Inhalation: Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped administer artificial respiration. Give nothing by mouth. If unconscious place in the recovery position. Seek medical advice. Skin contact: Remove contaminated clothing, wash skin thoroughly with soap and water, or use a proprietary skin cleanser. Eye contact: Remove contact lenses. Irrigate copiously with clean, fresh water for at least 10 minutes, holding lids apart. Seek medical advice. Ingestion If accidentally swallowed, DO NOT INDUCE VOMITING. Keep at rest and obtain medical attention.
First Aid Measures	Inhalation: Remove to fresh air, keep patient warm and at rest. If breathing is irregular or stopped administer artificial respiration. Give nothing by mouth. If unconscious place in the recovery position. Seek medical advice. Skin contact: Remove contaminated clothing, wash skin thoroughly with soap and water, or use a proprietary skin cleanser. Eye contact: Remove contact lenses. Irrigate copiously with clean, fresh water for at least 10 minutes, holding lids apart. Seek medical advice. Ingestion If accidentally swallowed, DO NOT INDUCE VOMITING. Keep at rest and obtain medical attention.
Spillage Procedure	Exclude sources of ignition and ventilate the area. Avoid breathing vapours. Refer to protective measures listed above. Contain and collect spillage with noncombustible absorbent materials, e.g. sand, earth, vermiculite or diatomaceous earth, and place in container for disposal according to local regulations
Handling and Storage	Store correctly and keep away from sources of ignition Extinguishing media: Recommended - alcohol resistant foam, CO2, powders. Do not use water jet.
Disposal Considerations	Wastes, including emptied containers, are controlled wastes and should be disposed of in accordance with the regulations made under the Control of Pollution Act and the Environmental Protection Act.
Fire Prevention	Store correctly and keep away from sources of ignition Extinguishing media: Recommended - alcohol resistant foam, CO2, powders. Do not use water jet.
